Dear Freshman,

Below the link to this letter, please find the links to the Disabilities Registration Form and two sets of guidelines for providing documentation. If you would like to request that the College provide adjustment or accommodation for a documented disability, you must use this form.

The Director of Student Services, Ms Taylor Waters, and I respond to all requests for adjustment or accommodation and you can feel free to call or e-mail either of us before you arrive to discuss your situation. Our contact information is on the form.

While you may submit this form at any time during your enrollment, some requests take longer to respond to than others. For this reason I urge you to make your request as early as possible.

I hope that you are looking forward to arriving in the fall and are having a good summer in the mean time. I look forward to meeting you in August.

Sincerely,

Susan R. Paalman
Assistant Dean
