Graduate Institute in Liberal Education Teacher Grant Application

The Graduate Institute in Liberal Education was founded in 1967 as a summer program intended primarily for high school teachers. While the size and scope of the Institute have expanded over the years, we seek to preserve a commitment to the education of teachers as a special part of our mission. As part of this commitment, St. John's College offers special financial aid packaging for students who are full-time K-12 teachers. Applicants who wish to be considered for the teacher grant program must complete this form and attach a letter from the principal or headmaster of their school verifying their full-time employment as a teacher in the academic year prior to enrollment in the Institute. Note: Applicants must also follow the normal application process for financial aid.
